

# AJR Equivalents to FSI Filter Medias

AJR MEDIA DESIGNATION	PALL - FSI MEDIA DESIGNATION
BOSA (seamless bags) multi-layer high efficiency	BOS (Polymicro® polypropylene microfiber)
HT (high temperature aramid (Nomex))	BHT (high temperature aramid (Nomex))
NMO (nylon monofilament)	BNMO (nylon monofilament)
NMU (nylon multi-filament)	BNM (nylon multi-filament)
PEEX (polyester extended life)	BPEEX (polyester extended life)
PEMU (polyester multi-filament)	BPEM (polyester multi-filament)
PES (double layered bag)	BPEIF (polyester extended fuzzy felt)
PES (double layered bag)	BPEIF (polyester extended fuzzy felt)
PES (polyester singed self-supported)	BPEIG (polyester inserted glazed felt)
PES (polyester singed self-supported)	BPENG (polyester non-supported glazed felt)
POEX (polypropylene extended life)	BPOEX (polypropylene extended life)
POG (polypropylene glazed self-supported)	BPOIG (polypropylene inserted glazed felt)
POG (polypropylene glazed self-supported)	BPONG (polypropylene non-supported glazed felt)
POMF (polypropylene microfiber) high efficiency	BPOMF (polypropylene microfiber)
POMO (polypropylene monofilament)	BPOMO (polypropylene monofilament)
